2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Kolar, between the hours of 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed :—

Description of work	Unit of work	Rate per unit

4. Each tender must be accompanied by a deposit of Rs. 650 (six hundred and fifty only) in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for Constructing a causeway across the North Pinakini River on Mulbagal-Goribidnur Road near Goribidnur" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, Mysore Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The tenderers must quote specific rates for each item of work both in figures and words.

10. The tenderers stating that the work would be executed at a certain percentage in excess or lower than the estimate will not be accepted.

Estimate of cost of constructing a causeway at 6 & 7—75 of Mulbagal-Goribidnur Road, across the Uttarapinakini River near Goribidnur :—
